DESIGN EXPO

THURSDAY, APRIL 18th, 2019 | 12:00 PM - 4:00 PM
BBB, CHRYSLER, DUDERSTADT, PIERPONT, EECS
SEE HOW MICHIGAN ENGINEERS ARE DESIGNING THE FUTURE!

The Michigan Engineering Design Expo showcases the achievements of our students in engineering design and prototyping, and demonstrates applications of their studies that solve real-life problems.

WE ARE PROUD TO PRESENT PROJECTS FROM THE FOLLOWING DEPARTMENTS:

- Biomedical Engineering
- Center for Socially Engaged Design (C-SED)
- Chemical Engineering
- Design Science
- Electrical Engineering and Computer Science
- Engineering Honors Program
- Industrial and Operations Engineering
- International Programs in Engineering
- Materials Science and Engineering
- Mechanical Engineering
- Multidisciplinary Design Program
- Student Organizations

For a list of each project presenting at Design Expo, visit the Student Project Descriptions section of the Design Expo website: mdp.engin.umich.edu/design-expo

★ Blue stars designate Engineering Honors Program projects
★ Teal stars designate projects participating in the Socially Engaged Design Awards
# TABLE OF CONTENTS

Design Expo Event Map..........................................................3-4

Duderstadt Connector & Chrysler Building.........................5
  Chemical Engineering 487/ 488/ 489
  Biomedical Engineering 450/ 452/ 599
  Design Science 502

Duderstadt Center.............................................................6
  Mechanical Engineering 450
  Materials Science and Engineering 480
  Engineering 490

Pierpont Commons .............................................................7
  Engineering Honors Program
  Industrial and Operations Engineering 424

Electrical Engineering & Computer Science Building ............8
  Electrical Engineering & Computer Science 430/ 452/ 495/ 499
  Student Organizations
  Multidisciplinary Design Program
  Global Multidisciplinary Design Program

Bob and Betty Beyster Building .............................................9
  Electrical Engineering and Computer Science 441
  Mechanical Engineering 589
  Engineering 260

Also Happening Today..........................................................10
ELECTRICAL ENGINEERING AND COMPUTER SCIENCE BUILDING FLOOR PLAN
Happening today! MEUS provides a venue for our exceptional undergraduate students to showcase their projects from RISE (Research, Innovation, Service and Entrepreneurship) as well as their Design and Manufacturing X50 Courses. MEUS will be held in the G.G. Brown Galleria.

The Center for Socially Engaged Design (C-SED) will recognize design teams that demonstrate substantial attention to social, cultural, economic, and environmental contexts in their design process and presentation.

Look for the teal stars on posters at the Expo, which designate teams participating in the Socially Engaged Design Awards.
The Multidisciplinary Design Program in the College of Engineering offers students a wide variety of exciting, long-term, team-based projects for academic credit. We partner with research faculty and industry leaders to bridge the gap between the classroom and professional experience.

1,600 STUDENTS  |  14 RESEARCH TEAMS  |  70 INDUSTRY SPONSORS  |  187 PROJECTS

117 Chrysler Building
2121 Bonisteel Blvd
Ann Arbor, MI 48109
